

COUNTRY GEOGRAPHY BRIEF

THE 5 THEMES AT A GLANCE

Build a quick geographic profile of the country. Record the essential facts, identify important connections, and explain how geography influences life there.

COUNTRY _____ NAME _____
BOOK _____ DATE _____

COUNTRY ID

Capital: _____

Continent: _____

Major language(s): _____

Currency: _____

Population: _____

DRAW THE FLAG

1. LOCATION: WHERE IS IT?

Paste, trace, or sketch a map of the country. Mark the capital, one neighboring country or nearby body of water, and one important physical feature.

Describe its relative location in one sentence:

This country is located _____

2. PLACE: WHAT DISTINGUISHES IT?

Two important physical features:

1. _____

2. _____

One important human feature:

How does one of these features help distinguish this country?

3. HUMAN-ENVIRONMENT INTERACTION

Choose one geographic feature or climate condition.

FEATURE OR CONDITION: _____

How do people in that part of the country use it, adapt to it, or change it?

What is one benefit or challenge created by this interaction?

4. MOVEMENT: WHAT CONNECTS THIS COUNTRY?

Choose one important movement into, out of, or through the country.

☐ People ☐ Product or resource ☐ Animal

☐ Transportation ☐ Language, music, story, or idea

☐ Other: _____

What moves, and where does it come from or go?

Why is this movement important to the country?

5. REGION: COMPARE + CONNECT

Choose one nearby country to compare.

COUNTRY: _____

One feature the countries share:

One important difference:

Are they often considered part of the same region? If so, which one?

BOOK LENS

What did the book show about the country—and what did you need another source to learn?

THE BOOK SHOWED: _____

ANOTHER SOURCE ADDED: _____

GEOGRAPHIC TAKEAWAY
