

PATH FINDER

FOLLOW IT ACROSS THE MAP

YOUR MISSION

Choose something you can follow across a country. Create a map that shows where it is found and what appears along the way.

NAME _____ DATE _____
COUNTRY _____ BOOK _____

1

PICK YOUR PATH

Choose one:

- ☐ River
- ☐ Mountain range
- ☐ Road or railway
- ☐ Animal migration
- ☐ Food or product
- ☐ Something else that is easy to map:

I'M FOLLOWING:

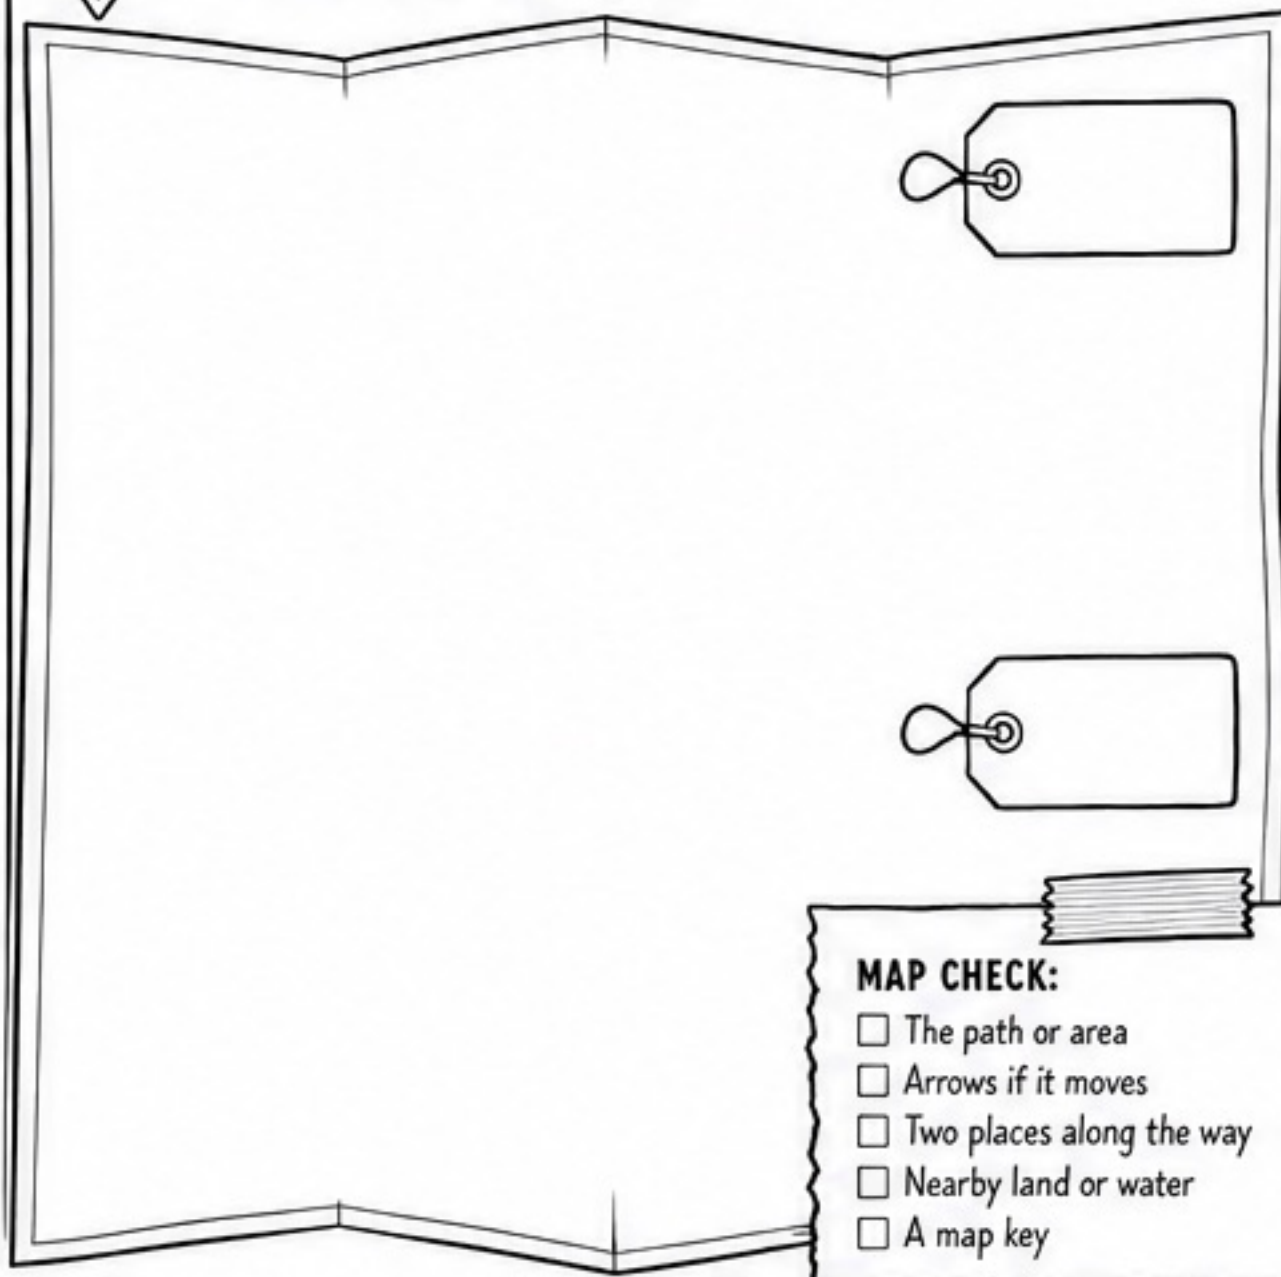

PATH TIP

If it moves,
use arrows. 
If it does not move,
show where it
stretches. 

2

BUILD YOUR PATH MAP

Paste, trace, or draw a map of the country.

MAP CHECK:

- ☐ The path or area
- ☐ Arrows if it moves
- ☐ Two places along the way
- ☐ Nearby land or water
- ☐ A map key

3

LOOK ALONG THE PATH

Circle what you notice. Then draw a line from each circled word to its place on your map.

cities

villages

mountains

rivers

ocean

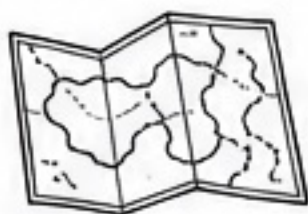

farmland

forest

borders

roads

PATH FINDER

ZOOM IN + ADD CLUES

4

ZOOM IN ON TWO PLACES

Choose two places along the path. Draw something found at each place. Add the place name and two labels.

ZOOM-IN 1

PLACE NAME: _____

Draw what you found.
Add two labels.

ZOOM-IN 2

PLACE NAME: _____

Draw what you found.
Add two labels.

5

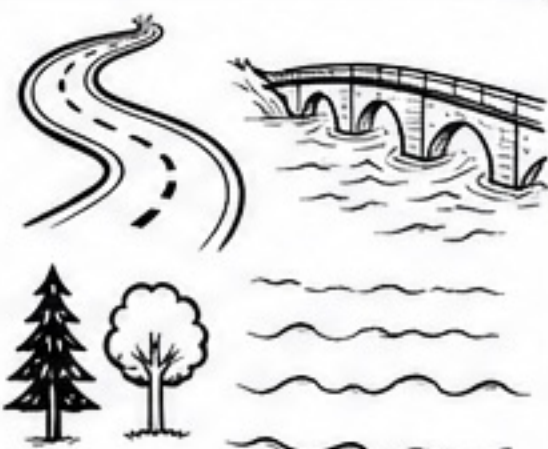

ADD MAP CLUES

Choose three things you noticed along the path.
Add them to your map using words, pictures, or symbols.

☐ Add a label

☐ Add a small drawing

☐ Add a symbol to the map key

6

PATH FINDER DISCOVERY

Put a star beside the most interesting part of your map.

Why did you choose it?

Draw or write one short note.

WHERE I LOOKED: _____
